

## **Industry-Wide SMD Briefings**

FERC is also planning SMD briefings for the industry at large. There will be four public meetings that anyone can attend. *These will be free of charge, but individuals must pre-register to attend. Industry participants can e-mail or fax the registration form below.* They are:

**Monday, August 19**

**1:00 to 3:00 p.m.**

**Commission Meeting Room**

**Federal Energy Regulatory Commission**

**888 First Street, Washington, D.C.**

**[Note: This meeting will also be broadcast live, on Capitol Connection. To make arrangements, call David Reininger or Julia Morelli at 703-993-3100 or access their website at [www.capitolconnection.gmu.edu](http://www.capitolconnection.gmu.edu).]**

**Thursday, August 22**

**10:00 a.m. to 3:30 p.m.**

**Boise City Council Chambers**

**150 North Capitol Boulevard, Boise, Idaho**

**Wednesday, August 28**

**1:00 to 5:00 p.m.**

**Renaissance St. Louis Airport Hotel**

**9801 Natural Bridge Road, St. Louis, Missouri**

**(Immediately following the MISO/SPP Tariff Convergence Technical Conference)**

**Thursday, September 19**

**12:00 noon to 4:00 p.m.**

**MISO Headquarters, 701 City Center Drive, Carmel, Indiana**

**(Immediately following MISO's monthly Advisory Committee and Board Meetings)**

These briefings will consist of a 45-minute presentation of the SMD rule by FERC staff, followed by discussion with the audience. For more information, contact Sarah McKinley, State Relations, 202-208-2016 (or e-mail [customer@ferc.gov](mailto:customer@ferc.gov)). Hotel information will be provided upon registration.

***Please fill out the registration form on the following page.***
